BOOKING PROCESS

Booking is essential and can only be done by contacting the **Booking Officer** Alison Newbald by

- Email to Ruapehub bookings@hvtc.org.nz, or
- Phone to 027 451 2587 and leave a message if there is no reply.

If within 48 hours of planned occupancy it is essential that phone contact is made to confirm space is available.

Paying should be prompt and should be made to the **Ruapehu Treasurer**, accompanied by the Payment Advice Form, by one of the following methods:

- Direct Credit to the HVTC RUAPEHU bank account 030543 0036501 03. Please be sure to indicate who you are paying for. If for more than one person please fill out the payment advice form and email this to Ruapehub bookings@hvtc.org.nz.
- Cheque posted to HVTC, Ruapehu Treasurer, PO Box 30-883, Lower Hutt. Please add a filled out copy of the Payment Advice Form so as we can establish exactly who you are paying for.

The Payment Advice Form can be found

- on the HVTC website (www.hvtc.org.nz) under the Ruapehu page,
- with your Ruapehu lodge information pack,
- in the clubrooms and at the lodge itself.

On arriving at the lodge, fill out the Lodge Visitors Register (a red ring binder folder) and update it as your stay progresses. This register provides the information needed to track occupancy (which can vary from bookings) and payments and so is a key part of our financial procedure. It is also a key document in case of emergency.

BOOKING AND PAYMENT RULES

- Occupation of the Lodge without prior booking is not permitted.
- Bookings to be made on a nightly basis. Each night booked covers a 24 hour period from 5pm on the night booked to 5pm the next day.
- Stay home if you or someone in your group feels unwell. You may be asked to leave the lodge if you are unwell.
- It is the responsibility of the person making a booking to inform the Booking Officer of any alterations to that booking.
- Bookings are transferable.
- Payments to be made within 48 hours of the completion of a trip.
- Children (under 16) must be accompanied by a guardian (at a ratio not exceeding 4:1).
- Members' children turning 16 years who have left school will be charged as adult non-members if not yet members in their own right.
- Only full-time school and tertiary students qualify for the student rate.
- For the two October school holiday weeks bookings for club members open six weeks prior to the start of the trip and four weeks prior for non-members.
- If a booking is cancelled within three days of a trip and that cancellation has prevented other people from staying at the lodge, a cancellation fee may apply. That fee will not exceed 20% of the original booking cost.
- Note that summer rates apply from Friday 6 November 2020 to Monday 7 June 2021 inclusive.

Personal food (optional)

<input type="checkbox"/>	Fruit.
<input type="checkbox"/>	Nibble/happy hour.
<input type="checkbox"/>	Beverages.

Tea, instant coffee, milo and raro are supplied.

HOW THE FOOD SYSTEM WORKS

Food Range

An extensive range of food items is supplied at the Ruapehu Lodge including:

- Meat (roasts, diced meat, mince, sausages, bacon).
- Spreads, condiments.
- Dry goods (milk powder, flour, pasta, rice, sugar, etc.).
- Tinned food (fruit, corn, spaghetti, baked beans, fish).
- Tea, instant coffee, milo, raro.
- Crackers, sweet biscuits.
- Eggs, cheese, butter/margarine.
- Breakfast cereal, porridge oats.

Menus

A menu folder containing a dozen simple main course and dessert recipes is located on top of the fridge to aid meal preparation.

Food Purchase and Delivery

Food for the ski season is purchased off the mountain. The bulk of the supplies are stocked prior to the snow falling. Supplementary food deliveries are organised during the season.

Restocking

When the club supplies are found to be low during a week trip please call the Booking Officer, Alison Newbald, 027 451 2587 or Kate Brownsword 027 562 0177.

Food Safety

Please encourage all members of your family or group to follow these procedures, they are designed to keep us all safe when eating at the lodge.

Food produced in our kitchen may well include common allergens including sulphites, cereals containing gluten (e.g. wheat), shellfish, eggs, fish, milk, peanuts, soybeans, sesame seeds, tree nuts and lupin. Please let us know if you are allergic to any of these items.

Food hygiene

- Wash your hands on entering the kitchen and *before handling food *after coughing or sneezing *after using the toilet *after using your phone *after taking out rubbish/recycling *after touching something you think is dirty *before eating!
- Don't handle food if you are sick.
- Separate raw and cooked food to prevent transferring bugs. Always wash anything after it has touched raw poultry and meat. Wash fruit and vegetables before preparing, cooking and/or eating.
- Write down the food prepared in the kitchen each day in the Food Folder. You can just note the page of the recipe, eg scones from Edmonds Cookbook page 36.
- Higher risks foods (e.g. meat, poultry, rice) need to be thoroughly cooked. You can check the temperature with the thermometer provided in the kitchen.

Leftovers

Store leftovers in the fridge covered and clearly labelled with the date it was made. Reheat leftovers until they are steaming or sizzling (at least 75°C). Do not reheat more than once. If in doubt, throw it out.

Cleaning

- Kitchen benches, table, stainless steel benches and chopping boards should be cleaned with clean hot soapy water after each meal. Kitchen benches, tables and stainless steel benches should also be cleaned with Spray n Wipe.
- Sweep kitchen floor and clean around the bin area at the end of each day. Change tea towels and sponges regularly.

Records

Record the temperature of food in both fridges on days that the lodge is occupied. Check that food in the freezer is still frozen on days that the lodge is occupied.

OTHER IMPORTANT INFORMATION

- **LODGE CUSTODIANS** – Two club member custodians must be at the Lodge when non-members are using the Lodge.
- A minimum revenue of four members' Lodge fees must be paid to warrant opening the Lodge. There must be a minimum of two members present who are competent in its operation.
- **INDIVIDUALS UNDER THE AGE OF 16 YEARS**
Must be accompanied at the lodge by a parent or guardian or other nominated adult (other than the Trip Leader). The Trip Leader must agree to the presence of an under-age individual accompanied by an adult other than their parent or guardian.
- **LODGE DUTIES** – Those staying at the Lodge may be assigned duties by the Leader.
- **NO SMOKING PLEASE** – The Lodge is a smoke free building.
- **WATER** – The Lodge water supply is rainwater collected from the roof and stored in a tank. It cannot be taken for granted. If all the water is used the Lodge will have to be closed down. During winter, use water sparingly as it is used faster than it collects.

Help to conserve water and energy

- Turn off taps when not in use (e.g. during brushing teeth) and using the sink plug (e.g. while rinsing dishes).
- Keep showers brief.
- Do not flush the toilets unnecessarily.
- The lodge is heated to a reasonable standard considering the environment. Please dress accordingly rather than attempting to overheat the lodge. Woollens and pyjamas are recommended.

FIRE RISK

- Fire is the greatest hazard in the Ruapehu Lodge. There is no fire service, no suitable water for combating the fire and afterwards, possibly no shelter.
- Be familiar with the location and operation of the fire extinguishers. Keep all exits clear. Keep a set of warm clothing, outdoor footwear and a torch by your bunk.

Please co-operate with any fire drills, they are compulsory

TRIP LEADER AND CUSTODIAN RESPONSIBILITIES

Each trip – weekend and week – will be required to have a nominated leader.

- Leaders' responsibilities include ensuring the Lodge Visitors Register is filled out so that we can ensure all Lodge fees are duly paid.
- Ensure compliance with the NO BOOTS INDOORS and use of personal pillow slips.
- Safety requirements such as the appointing of fire wardens and ensuring that fire exits are unlocked and clear of snow also need to be attended to.
- Ensure the records are complete in the Food Folder including fridge temperatures, checking the freezers are working, and recording what meals have been prepared each day.
- Making sure that the log book is written up for each trip is also sometimes neglected. This becomes an important record of activities at the Lodge. Include all names and give a brief account of activities and weather.
- Leaders should also remind their fellow Lodge guests that they should pay their Lodge fees promptly upon their return.
- Of course, leaders can delegate any or all of these duties, as well as the general running of the Lodge and ensuring that it is correctly closed down upon departure. Leadership need not be an onerous duty, and no one should be worried if asked to perform it.
- Make sure new members are adequately equipped and are guided to the Lodge.
- Provide your party with a brief run down on how the Lodge runs and other general housekeeping issues (i.e. duty roster, hygiene, safety issues, water conservation etc. as relevant to particular group).
- Be familiar with the water, power and fire alarm systems. Do not allow unauthorised people to tamper with these facilities.

- Check duties are carried out.
- If considered necessary, arrange for the Lodge to be locked when vacant during the day. Ensure trip members know the combination for the front door lock.
- Leave the Lodge clean and secure. Close down the Lodge according to the **SERVICES OPERATING INSTRUCTIONS** manual, unless advised otherwise by the Booking Officer.
- Check the food stock and forward requirements to the Food Enquiries team.

ACCESS TO HVTC RUAPEHU LODGE

There are several possible routes to the Lodge, however the preferred route will depend on the time of year along with the snow and weather conditions at the time. Be cautious, the routes detailed are not necessarily well defined and do not have route markers.

It is preferable to travel to the Lodge in groups and particularly with others who know the way. If unsure or in adverse conditions then follow the routes as described below and illustrated on the map overleaf. If you believe others may be already at the lodge then phone the lodge before setting out to advise them of your intentions (Ph. 07 892 3717)

Be particularly aware of icy conditions and that avalanche conditions on Route 3 can be hazardous, be aware also that bluffs at the bottom of Tennents Gully can be further hazard particularly at night or in poor visibility.

- 1 Summer/Winter** – from the top lift station of the Rangatira Express Lift walk across to the low saddle and follow the track-way down into the head of Tennents Gully. (caution watch out for icy conditions in winter).

At the yellow snow-making machine turn up the hill and walk up and around the Tararua Tramping Club Lodge, then follow down the gully to the HVTC Lodge.

- 2 Winter** – when track conditions into Tennents Gully (Route 1 above) may be too icy this alternative may be safer. However it is also prone to ice at time.

From the top station of the Rangatira Express Lift proceed up Hutt Flat to a point opposite the second Ruapehu Ski Club Lodge, via right and walk up the side of the valley to a small saddle above Tennents Gully. Cross over and follow a track on the other side that sidles across the slope towards the Tararua Tramping Club Lodge, circle around the lodge and down the gully to the HVTC Lodge.

- 3 Winter** – when the Rangatira Express Lift is not operating. Follow the track-way/ski trail starting from behind Lorenzo's Cafeteria up the hill as it follows the lift line to a point between pylons 5 and 6. Turn right and head across to the bottom of Tennents Gully, follow the ski trail up Tennents Gully to a point above and around the Tararua Lodge then back down to HVTC Lodge.

- 4 Summer** – when the Rangatira Express Lift is not operating. Follow the track as per Route 3 above across and into the bottom of Tennents Gully, then follow up a narrow track which sidles up the western side of Tennents Gully onto the ridge line then proceed directly up to the HVTC Lodge.

- 5 Summer** – when the Rangatira Express Lift is operating. Follow the track as per Route 1 above across and into the top of Tennents Gully but instead of travelling up and around the Tararua Lodge, follow up a narrow track which starts near the yellow snow making machine and sidles up western side of Tennents Gully onto the ridge line the proceed directly down to the HVTC Lodge.
